## eBay ユーザー登録

表示される画面は、日本ユーザー用ではありません。

The image shows the "Register: Enter Information" page on eBay. The page title is "Register: Enter Information" and it has two steps: "1 Enter Information" and "2 Check Your Email". Below the title, it says "Register now to bid, buy, or sell on any eBay site worldwide. It's easy and free. Already registered? Sign in now." The main section is titled "Your Personal Information - All fields are required". It asks "Want to register as a business?" and provides a link. The form includes fields for "First name", "Last name", "Street address", "City", "State / Province" (a dropdown menu with "-Select-" selected), "Zip / Postal code", "Country or Region" (a dropdown menu with "United States" selected), and "Primary telephone" (with sub-fields for area code, number, and extension). A red box highlights the "Country or Region" dropdown menu. To the right of the form, there is a link for "Your privacy is important". A speech bubble on the right contains Japanese text explaining that the page is for US users and that the user needs to change to the Japanese registration page.
